The Tradition of the Confirmation Saint Name

Saints are people who have been exemplary followers of Christ. As we are initiated into the Church, we become members of the community of Christians who came before us and those who will follow us. We recognize the virtues of the saints who set an example for us of how to be like Jesus.

Your name gives you an identity; it tells others who you are. When you were baptized, your parents chose your name. Now that you are about to be confirmed, it is time to choose the name you will take as a sign of your growth in Christ in your Catholic Faith. The tradition of taking on a new name to show a new role can be traced back to the Old Testament. When Abram was called to lead his people to believe in the one true God, his name was changed from Abram to Abraham meaning “the father of many nations.” Again, in the New Testament we find Simon’s name changed from Simon to Peter, meaning “Rock” because he was to become the rock upon which Jesus founded His Church

Many people choose an additional saint’s name at Confirmation. Others choose to keep the name that was given to them at Baptism. It is your choice whether to keep your Baptismal name or choose another name for Confirmation. If you wish to choose a new name, you need to select a recognized Catholic saint for your Confirmation name. The saint should be chosen because his/her life is one that you admire and would like to use as a model. There are many sources of information about the saints. Books, encyclopedias, and Catholic websites are just a few of the places where you can find information. Be aware that not all internet sources are created equal.
